

Welcome to Peacock Cottage

Keys

There is a key for the front door and a yellow swimming pool key.

Please leave the keys in the door at the end of your stay.

Car Parking

There is one car parking space for your property.

Please park either in front of your cottage or in the car port (please make sure you do not park in front of the other cottages).

If you have arranged with us to bring extra cars we will let you know where they can be parked.

Speed Limit

Please drive slowly and carefully - there are many free range animals, most of whom will not get out of the way of cars.

Cottage Information

Bedding & Towels

Bedding and towels are provided for guests' use. Please do not use towels supplied at the beach. The coloured towels are for use in the pool. Please do not use white towels in these areas as the chlorine rots them and they become stained and muddy.

A waterproof mattress protector is in the cupboard in the twin bedroom. Please can you put it on the bed if you think it may be necessary.

Waste & Recycling

Please assist us in our efforts to minimise waste and maximize recycling by separating waste. Full details regarding recycling are set out on the recycling guide on page 4. All waste, once separated, should be placed in the appropriate bins located in the car port near the cottages.

Smoking Policy

Smoking is not permitted in the cottages or Pool Hall. We actively discourage smoking anywhere on site out of respect for all guests,

but if you must smoke outside, please do so away from the buildings and remove cigarette ends afterwards.

Garden Furniture & Barbecues

Your cottage is supplied with its own garden furniture and barbecue for your use. Please clean barbecues after use ready for the next guests.

Heating and Hot Water

Central heating is available in the cottages as required. The controls are in the cupboard under the stairs (please do not touch these as they control the heating for all three cottages). The heating can be controlled by thermostats located through out the cottage.

Televisions & DVD Players

The televisions are Sky freeview. They are quite easy to use (instructions can be found on the TV sets). The DVD players are very simple to operate. If you have difficulty in operating TVs or DVD players please ask us and we will try to help.

Cottage Information Continued

Instructions, Supplies and Maintenance

Instructions are provided within the cottages for all kitchen equipment where necessary. Instruction books are located in a kitchen drawer. We supply dishwasher tablets, washing machine tablets and washing up liquid. A starter supply of toilet rolls is included in your cottage.

A torch is supplied which is located in the kitchen.

Mobile Phone Reception

Coulscott has limited mobile phone coverage. The best reception is to be found towards the front of the site towards the South.

Wood Burning Stoves

There is a wood burning stove for which we provide wood. Please treat it with caution as the outside become very hot. Please do not empty it as it works best on a bed of ash.

Dogs at Coulscott

Dogs are to be kept on leads in the grounds to protect our free range ducks, chickens and peacocks. Dogs are not allowed upstairs or on the furniture in the properties. Dogs must never be left alone in any of the houses. Please clear all mess left by your dog.

Please see the maps provided for the location of the 6 and 4 acre fields where dogs can be let off the lead – once through the dog gate. There may be cattle in the fields – take great care when around them. These fields are not always available for dogs to go off the lead depending on the stock in them – we will let you know on arrival if this is the case.

If dogs are going to touch the sofas could you please cover them with the throws provided or your own clean throws.

Departure Information

Breakages and Damages

Please advise us of any breakages or damage as soon as possible so that we can rectify them for later visitors. Whilst we are aware that accidents happen we reserve the right to charge for replacement items.

Departure Details

Departure time is 10am. If possible, please strip beds before leaving, but do not fold sheets, just leave in a pile. Please leave towels in a separate pile in the bathroom. We need access to the hot tubs earlier than 10am so please do not use them on the day of your departure.

If you have any food (whole, fresh or still in unopened packets etc) leftover please do not throw it away. Leave it in your kitchen and we will donate it to good causes in the village.

Please leave your keys in the door.

Please advise us if you plan to depart early.

Please do not move furniture from its original position.

Two week stays

For guests staying for two weeks, the house will be cleaned and your bedding and towels changed at the end of the first week. This is on a Saturday usually between 10 am and 1 pm.

Contact Details

If you need to contact anyone please try to find us before phoning as it sometimes takes a while for messages to get through.

Please see the maps provided for the location of the cottages, facilities and grounds.

Facilities at Coulscott

Gardens and Fields

Most of the cottages have private gardens or terraces. Your garden is located through the gate to the right of the cottage (as you come out of the front door) and up the slope behind the cottage. Please respect the private areas of other cottages.

You are welcome to explore the grounds which are rich in wildlife. Please see the separate maps to show you where guests are free to go. Parents are asked to take extreme care with children as the ponds are unfenced and there are streams in the area.

Children's Play Area

There is a children's play area located near the cottages court yard – please see maps provided - including swings, climbing frame, slides, trampoline and football goal.

Trampoline Rules:

- No shoes or sharp objects on the trampoline
- Children under 12 must be supervised at all times
- Only one person on the trampoline at a time
- Maximum weight (18 stone)

Trampoline should be used with caution and rules followed at all times.

Animals

At Coulscott there are chickens, ducks, peacocks, alpacas and dogs. Parents please ensure that children treat all animals with respect. Please do not enter the alpaca enclosure.

We are happy for you to feed the chickens, ducks and peacocks but please only feed them beyond the hedge in the gardens around the ponds.

We are happy to have guests join in when we feed the alpacas – please let us know if you want to and we will let you know when feeding time is. Please do not feed the alpacas unless we are there with their special food.

Out Door Games

Football , Cricket etc can be played in the area beyond the ponds, or beyond the children's play area behind the cottages.

Laundry

A washing machine and tumble dryer can be found in the car port. Please do not overload these machines. There is a rotary clothes line next to the children's play area. Please try not to use the tumble dryer in good weather.

Swimming Pool

Pool Opening Times 9 am to 8 pm. Closed for maintenance Fridays 9am-2pm. Please see separate map for location of pool.

The pool is not supervised and it is the parent's responsibility not to allow children under 14 to swim unaccompanied. Please ensure that the external pool door remains closed for the safety of young children, and that your children do not tamper with the safety equipment.

The pool is covered to maintain water temperature. If you wish to swim please carefully roll the cover back. Please recover the pool after use and ensure the door is closed and locked on exit.

Please see page 4 for the Swimming Pool Rules.

Please see the maps provided for the location of the cottages, facilities and grounds.

Pool Hall Rules

Children under fourteen, non swimmers and dependant adults MUST be accompanied into the Pool Hall by a competent adult swimmer at all times.

We provide LILAC or CREAM towels for your convenience. Do not use the white house towels as chlorine rots the fabric.

Remove your outside shoes immediately upon entering the Pool Hall.

Do not enter the water when the pool cover is on – remove it fully.

To remove the pool cover, stand at the roller end and gently turn the wheel, the cover will wind itself on to the roller. **Replace the cover after use. – Failure to do this will result in a substantial drop in water temperature.**

To replace the cover – take the end of the blue tape, stand central to the pool at the opposite end to the roller and pull.

Please shower before using the pool to assist with maintaining water quality

Do not use the pool whilst under the influence of alcohol

Large toys are not suitable for use in the water.

No life guard – guests swim at their own risk – do not tamper with safety equipment.

Dogs are not allowed in the Pool Hall.

Do not bring glasses in the Pool Hall.

No running, jumping or diving.

Residents only.

No smoking.

Remember to lock the door on leaving.

The management reserves the right to close the pool at any time.

Opening times: 09:00–20:00. Closed Fridays 09:00–14.00

Recycling Guide

Please help us to recycle. We aim to recycle at least 70% of our waste and to achieve this we have a recycling centre in the car port. Please sort out your recycling and put it in the green and grey bins which are clearly labeled. In the Georgian House and the Old Farmhouse we provide a box to carry the recycling to the carport. The recycling bins are put out on the road on Monday nights for collection.

In Devon we can recycle the following:

Tins

Paper

Cardboard

Glass

Plastic bottles minus lids (no other plastics)

We CANNOT recycle:-

Any tetrapacs i.e. fruit juice containers

Plastic packaging

Composting: We provide compost containers in each kitchen for all vegetable matter. There is a bin in the carport for emptying your containers in to.

If you have any food (whole, fresh or still in unopened packets etc) leftover please do not throw it away. Leave it in your kitchen and we will donate to good causes in the village.

Any waste that cannot be recycled can be placed in black bin liners and taken to the large black bins at the entrance to Coulscott – these are collected every other Monday.

IMPORTANT INFORMATION

Oil

Boilers in the cottages and swimming pool are oil fired. The tanks are located next to the pool hall and in the bog garden please do not allow children to play on them

Please advise us immediately in the event of an emergency.

Electricity

Each cottage has its own independent electricity supply. The distribution board is located in the cupboard under the stairs. The fuses are RCD type and can trip fairly often – for example if a light bulb blows. The RCDs can be reset by pushing the tripped switch upwards. In the event of a power failure, a torch is provided for your use. Please do not use candles in your cottage.

Water

Our water supply comes from our own spring on Exmoor. The water is purified without chemicals on site. Although the spring has never run dry we do ask guests not to waste water as it is a finite resource. The water is tested by the council, to ensure it reaches their rigorous standards, on a regular basis.

Fire

In the event of fire please evacuate your cottage. Advise us of any fire immediately and telephone the emergency services (999) and tell them you are at Coulscott, Nutcombe Hill, Combe Martin EX34 0PQ. Fire extinguishers and fire blankets are provided in kitchen areas. All cottages are provided with smoke detectors. In the event of a false alarm the detectors can be switched off by pressing the reset button. Our fire alarms are fairly sensitive.

Security

Guests parking their cars at Coulscott do so at their own risk. Please ensure that your cottage is locked whenever left unattended and at night. The pool hall is by key entrance only – it is important for safety reasons that it is always locked when leaving the hall.
